### New Life in Christ Church

The New Life In Christ Church, connected to the mission school, helps the community grow in their love for Christ. Your support can aide the Church's efforts to share the Gospel, improve the Church facilities, and reach their neighbors in Montrouis.

### General Mission Needs

The mission is always in need of supplies to support our efforts-whether it be tires for the truck, soap for the clinic, printer ink for the school, or gas for the generators and more. Our budget has been greatly impacted over the years as inflation rates rise, instability continues in the country and sadly no visitors are allowed. These items are not always first in mind, but they are always needed to keep our mission running strong.

**Suggested Donation: \$20**

### Medication/Supplies

What better way to celebrate the season of giving than to help give the gift of life? Our doctors and nurses provide critical medical care in our community where there are no hospitals, no other clinics, and nowhere else to turn. Help support God’s healers!

Treat 5 Patients	\$25
Treat 10 Patients	\$50
Treat 25 Patients	\$100
Treat 200 Patients	\$1,000

We are hopeful that you might consider supporting us at the end of this year.

### Mission Truck-Toyota Hilux

This \$41,800 purchase will allow our leaders in Haiti to continue to run all the mission programs safely. The mission currently has two of these vehicles for day to day use and one is on “it’s last engine”. Having a reliable and dependable vehicle is important for our team leaders to continue to travel the seemingly unsafe roads to obtain the supplies and materials needed to allow the school and clinic to operate without interruption.

<b>Suggested Donation</b>	<b>\$1,500</b>
<b>Christmas Miracle!</b>	<b>\$15,000</b>

This will be a sign unto You: you will find the baby wrapped in swaddling clothes and laying in a manger" ( Lk. 2:12).

As we share this special time of year with our loved ones and rejoice in the Savior's birth, let us remember our neighbors in need and the children we have grown to love!

The current political and violent situation in Haiti breaks our hearts but will not break our spirits. Life Connection Mission cannot possibly address all of the needs in Haiti, but we remain committed to doing everything we can to ease suffering, continue to educate children, increase their quality of life, and work toward a sustainable future for our friends in Montrouis. Together we offer prayers for Peace on Earth.

Please look through our abbreviated 2024 Christmas catalog and prayerfully consider how God is leading you to help. What a wonderful way to share the real "reason for the season".

To all who help us continue to serve our friends in Haiti, in the many ways, thank you from the bottom of our hearts. Have a blessed holiday season! Your ongoing generosity is invaluable, and we look forward to sharing updates in 2025!

On behalf of the board of directors & mission staff of Life Connection Mission, we wish you and your families a very Merry Christmas!

Blessings , good health, and much happiness in 2025.

**Sharing the love of Christ with our Haitian neighbors at this blessed time of year.**
